

# LCIP Membership

*"Spread the word, not the plant"*

*The Lower Chippewa Invasives Partnership (LCIP) welcomes all those who are committed to slowing the spread of invasive species, which threaten the native habitat of Chippewa, Dunn, Eau Claire, Pepin, and Pierce Counties.*

## What we do

- Join other members in field work to control invasive species.
- Engage others to be active citizens by involvement in educational activities, communication about the threat to native species, and environmental stewardship.
- Attend monthly meetings when possible to offer input into LCIP goals and priorities.
- Support the building of our communities to be more sustainable and to be accountable for our resources.

## Benefits

- Voting rights on goals, new initiatives, and governance
- Insurance coverage at every event in which a member is representing the LCIP organization. (Non-members who attend events will be required to sign a liability waiver prior to participating in LCIP activities.)
- Development of expertise and leadership skills by engaging with LCIP to accomplish LCIP projects, events, goals and programs
- No annual membership fee

## More Information

To become a member, please call, email or stop by the LCIP office. Chris Gaetzke can help you learn more.
